## South Road Tram Overpass Upgrade

### Works update – Temporary Glengyle Terrace closure

As part of the \$15.4 billion River Torrens to Darlington Project, a rebuild of the tram overpass at South Road is required to facilitate the construction of the T2D motorway.

This upgrade will be delivered as part of the Tram Grade Separation Projects, which also includes the level crossing removals at Marion Road and Cross Road, Plympton and Morphett Road, Morphetville.

## What's happening

### Upcoming night works

To reduce traffic disruptions, works will occur during the day and night.

- Utilities service works from **Tuesday 11 March for up to one week.**

Some drainage works will also occur during the day within the compound.

### Upcoming access changes

To rebuild the South Road tram overpass, Glengyle Terrace, between South Road and Grosvenor Street, will be closed from **mid-March 2025. It is planned to reopen in early 2026.**

## How this affects you

Please see map over the page to view the location of upcoming works.

Some disturbances can be expected such as noise, dust and vibration caused by the works. Efforts will be made to reduce these impacts where possible.
