

WANTED

Community Garden Operations Volunteers

Have a passion for gardening and like to help others?
Are you a great communicator and enjoy problem-solving?

If so, you could be just the person we need as a Community Garden Operations Volunteer.

We're looking for helpful people to lend a hand in supporting activities across our community gardens in Torrensville, Plympton, Netley and Kurralta Park.

As an Operations Volunteer, you'd be responsible for liaising with our Community Facilities Officers and providing guidance to new and existing gardeners across all our facilities.

To find out more, contact our Volunteers Program Officer, Shannon, on 8416 6333 or chat with one of our Community Facilities Officers.
