Our Vision

Committed to being the best place to live, work and enjoy life.

Our Mission

To strive for excellence in serving our diverse community.

The 5 focus areas for the delivery of our vision are:

Community Life

We support diversity, health and well-being, community cohesion and connections, and create opportunities to learn and enjoy the local area.

Built Environment

We support housing, urban development and infrastructure that contributes to attractive and safe neighbourhoods, and how we travel in and beyond our area.

Prosperity

We support jobs, businesses and industries to generate local economic growth and activity.

Environment and Sustainability

We protect and conserve the natural environment, reuse and recycle resources, support biodiversity and respond to climate change.

Organisational Strength

Council ensures its services lead to quality outcomes and exceptional experiences for our community.
